Title: Rufus' Resignation

Author: Scribe

= R E G E N C Y =

On this day I Rufus
Oryan, Governor-Regent
of Britannia, do hereby
announce my resignation
from said position. I
entrust my abilities and
power in Lady Labelle
Decantor as acting
Regent in this time, until
the loyalist shall convey
and bring about a new
vassal to act officially as
Regent of Britannia. The
Group that is the
Britannian guard will be
commanded by Tai Kwan
Leap, until otherwise
decided by the Regent
and commanding officers
established in that term.
I pray that you all will
forgive me for the many
times I have let you all
down, and I cannot have
ye all chase my dreams
any longer.

Live for virtue and all
things close to ones
heart.

Signed
Lord Rufus Oryan
